

## **Cerutti, Zerand Division supply new pre-print equipment to Gondi**

Dusseldorf, Germany, June 7, 2016. Grupo Gondi, one of the leading Mexican Companies operating in the folding carton converting industry, during Drupa 2016, the most important graphic art event worldwide, has decided to invest and has awarded North American Cerutti, Zerand Division, an order for two wide web high speed preprint platen cutter lines to produce beverage cartons, for two of their Mexican plants.

Mr. Posada, CEO of Grupo Gondi, has commented: “We decided to confirm our trust in Zerand because of our long and positive commercial and technical relationship. The high quality, productivity and reliability of the Zerand equipment, and their strong customer support are the best the market can offer”

Dr. Cerutti, Chairman and President of Cerutti Group has commented: “We are very pleased that Grupo Gondi has decided to confirm his confidence in Zerand. We have always listened with attention and applied the suggestions for continuous improvement coming from a company of the importance of Grupo Gondi and we are very grateful to Mr. Posada and to Grupo Gondi’s owners. This decision confirms our Group strategy of being always on the forefront of innovation, to be able to supply the best equipment in the market to our valued customers”.

Mr. Posada and Mr. Cerutti at the Cerutti Stand in Drupa, after the signature of the agreement.
